EN PRIMEUR 2022

# Bordeaux En Primeur 2022

Our annual visit and tastings in Bordeaux took place during the last week of April. It was our 40th year starting with the 1982 vintage, a pretty good place to start. We tasted some 600 wines over the course of the week and many of the most important properties have been tasted twice and even three times.

We are confident that our offering will include the best of the vintage. However, quantities will be reduced by at least 15% on last year with yields in some case around 20 hectolitres per hectare. We will also be conscious of pricing and won't support excessive price increases. As always, we will allocate the top wines as fairly as possible.

This vintage has wines of enormous style and charm. Some are for the longer term, but all should age gracefully as they grow up.

**With that being said, I have always modelled myself on fine Bordeaux...**

**Yours in wine,**

*James Milnes*

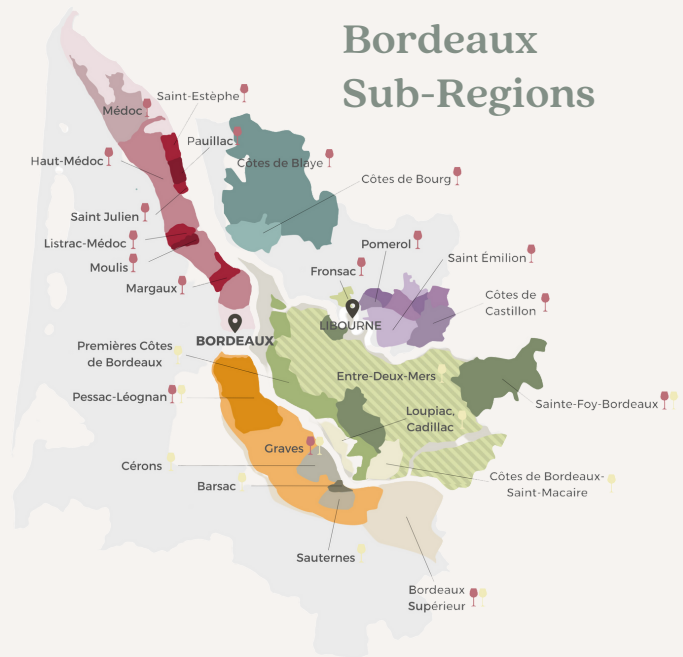

# The Vintage

The critics have already given a big thumbs up with very high scores, but they have been quite diverse in their opinion which makes for a more interesting debate. We have identified our top wines and are happy to share our thoughts with you as we release around four to six properties as they come on the market. We will also have some good value picks which won't break the bank and give pleasure in the shorter term while affording an opportunity to those putting a toe in the primeur market for the first time.

# The Weather

One of the hottest years on record, the terrible fires in the region were a testament to that. The winter was relatively mild with decent rainfall throughout the spring. Three heatwaves in summer with temperatures around 30°C and pushing 40°C and no rain. The vintage was early, around mid August for the whites and mid to the end of September for the reds.

## Château Gloria 2022

**Case 6, 75cl**

£189.00 / €218.00

**Case 3, 150cl**

£198.00 / €229.00

**Case 1, 300cl**

£165.00 / €190.00

It has a perfumed, floral nose with crushed violet infusing the black cherry and blueberry fruit. The palate is medium-bodied with sumptuous tannins that belie the structure underneath. With pure fruit and well-judged acidity, this 2022 is sensual with a persistent and lightly spiced finish. Superb. 94-96 Points."

### Case 12

£474.00 / €555.00

### Critics Score

95–97 NM

### Tasting Notes:

“The 2022 Lagrange has an almost clinical bouquet, with very well defined blackberry and blueberry fruit, graphite and crushed stone. The palate is extremely pure with cashmere tannins, black cherry fruit infused by blood orange, lightly spiced, hints of white pepper toward a very concentrated, fine-boned finish. This will require several years in bottle, but it will be worth waiting for. A serious and very able Lagrange that should not be under-estimated. Drinking window 2029–2055.”

Neal Martin, Vinous (May 2023)

## Château Talbot 2022, 75cl

### Case 12

£578.00 / €672.00

### Critics Score

93–95 WK

### Tasting Notes:

“It has a fragrant bouquet, well-defined with black cherries, cassis, iris and touches of brown spice. The palate is well balanced with fine weight and depth, the 13% vin de presse landing backbone. Detailed and focused, it has the same mineral spine as Gruaud-Larose nearby. Quite long and lively with a tingle of white and black pepper on the finish. This is a delicious Talbot, but it is the one Saint-Julien that needs a little more depth in the middle. Nevertheless, it should age for many, many years and appeal to those seeking classicism in this vintage. 2027–2060.”

William Kelley, Wine Advocate (April 2023)
